How to use 50pick.

A short, screenshot-led walk-through of every screen you'll touch as a player. Sign up. Place a bet. See your wallet. Take a break when you need to.

SECTION 1

Sign up & verify

A screenshot of the 50pick mobile app's sign-up screen. The header shows the 50pick logo and navigation links: MARKETS, LIVE, POSITIONS, BALLET, TOP. The main content area is titled 'CREATE ACCOUNT' and 'WELCOME TO 50pick'. It includes a welcome message in Swahili, a phone number field with a dropdown for country code (+255) and a text input for the number (712 345 678), a date of birth field (mm/dd/yyyy), and a checkbox for 'I agree to the Terms and Privacy Policy'. A strength meter is visible below the password field. The bottom of the screen shows a navigation bar with a home icon and a profile icon.

SIGN-UP

Tick & submit

Confirm you're 18+ and accept the **Terms + Privacy** notice. The third box (product updates) is optional.

The strength meter under the password field shows when it's **Strong · Imara**. Common passwords are refused server-side.

A screenshot of the 50pick mobile app's account creation form, ready to be submitted. The header is the same as the sign-up screen. The form includes a 'STRENGTH' indicator, a 'CONFIRM PASSWORD' field, and three checkboxes: 'I confirm I am 18 or older', 'I accept the Terms and Privacy Policy', and 'Send me product updates (optional)'. A 'Create account' button is at the bottom, along with a link to 'Already have an account? Sign in'. The bottom navigation bar is also visible.

FORM READY TO SUBMIT

A screenshot of the 50pick mobile app's identity verification screen. The header shows the 50pick logo and navigation links. The main content area is titled 'IDENTITY VERIFICATION' and 'Verify your NIDA - Thibitisha NIDA'. It includes a message about verifying with the National Identification Authority (NIDA) and a list of steps: '1. NIDA', '2. Documents', and '3. Review'. Below this, there's a 'Step 1: NIDA verification' section with a field for the NIDA number and a 'Verify' button. The bottom navigation bar is also visible.

VERIFY IDENTITY

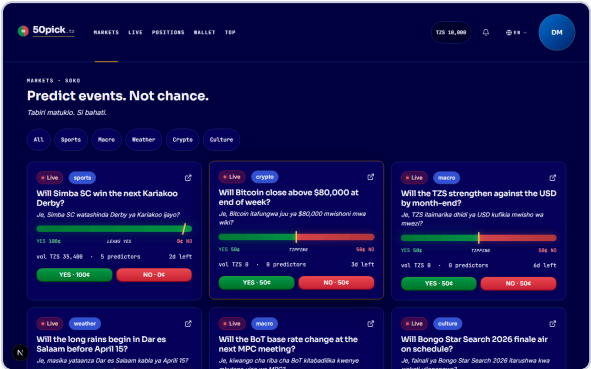

Verify your identity

After **Create account**, you land on the verify-identity screen. NIDA national-ID + a selfie. Reviewed within hours.

You can browse and place bets immediately, but withdrawals only unlock after KYC is approved.

Stay safe. Never share your password — not with support, friends, or family. If you forget it, use the **Forgot password** link on the sign-in page.

MARKETS

The conviction dial

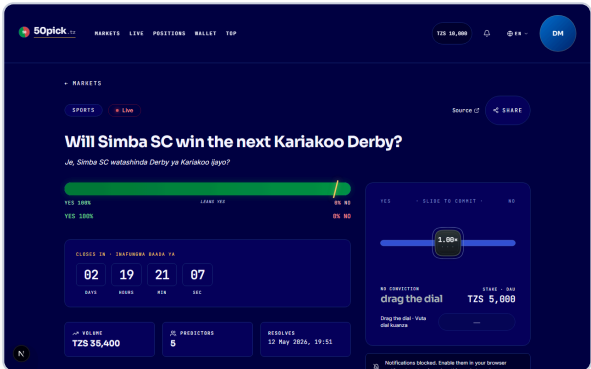

Drag right for **YES**, left for **NO**. The further you push, the bigger your stake. Projection updates live.

Tap **Place bet**. A confirmation pops up with a 5-second locked-in price. Tap **Confirm** to submit.

Find a question

Markets are real-world questions with a **YES** or **NO** answer — football, weather, macro, crypto, culture. The bar shows where the pool is leaning.

- Filter by category at the top.
- Green = YES, red = NO.
- Markets near 50/50 are "tipping" — the most contested.

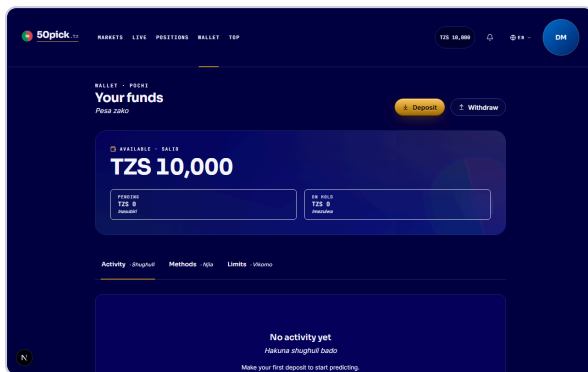

MARKET DETAIL

Quote-hold. The 5-second timer means the price you see at confirmation is the price you get. Wait too long and the modal closes so you can re-aim — no surprise stakes.

SECTION 3

Track your money

WALLET

Wallet

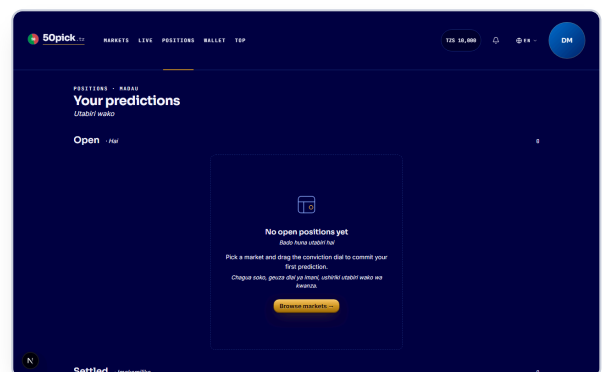

Balance, deposits, withdrawals. The **TZS pill** in the top bar (next to your avatar) is the same number — tap it any time.

Withdrawals require KYC approval. The AML notice appears on transactions over the threshold.

Positions

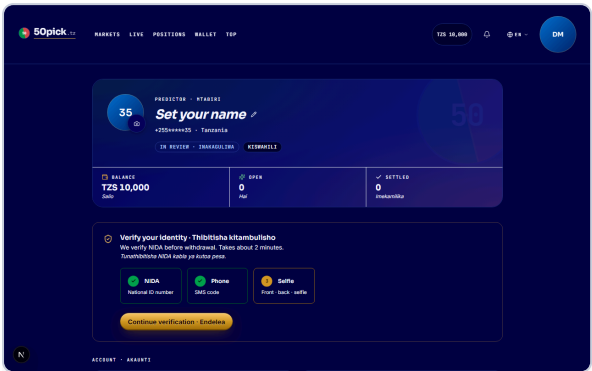

Open bets and resolved bets, in one list. Each card shows the market, your side (YES or NO), the stake, and the projected payout if you win.

You'll get an inbox notification when a market resolves — clicking it takes you straight to the position.

PROFILE

Profile

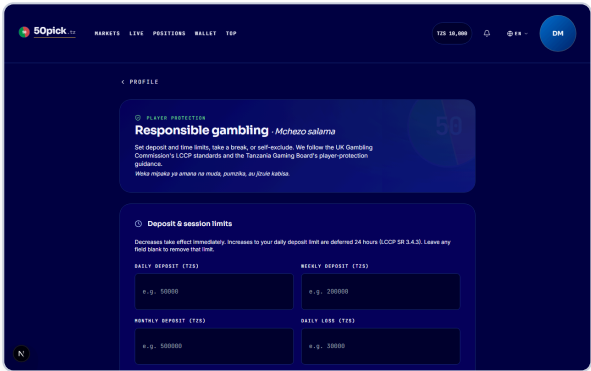

Display name, KYC status, language, region, the limits you've set on yourself, your active sessions.

Sign out from the avatar menu in the top-right — a confirmation dialog ensures a misclick doesn't sign you out mid-flow.

Responsible gambling

Set deposit limits (daily / weekly / monthly), session limits, take a break (1 h / 24 h / 1 wk), or self-exclude (24 h through permanent).

Self-exclusion cannot be reversed by you until the period ends. That's the whole point.
