

How to download the Government Tax Report

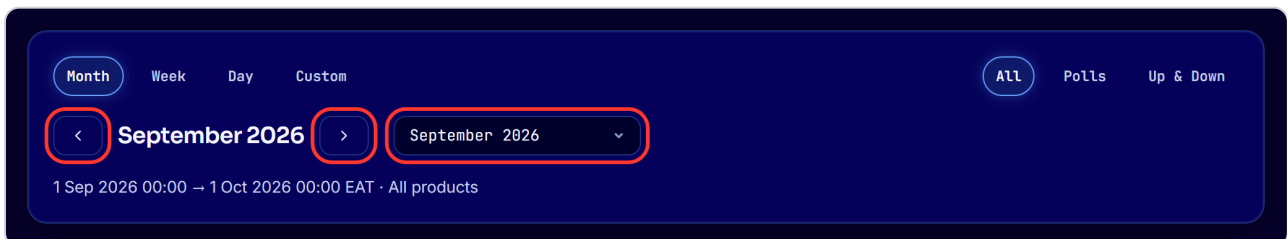

1 Open the report

Sign in at **50pick.tz/admin**. In the menu on the left, under **Money · Pesa**, click **Tax report**.

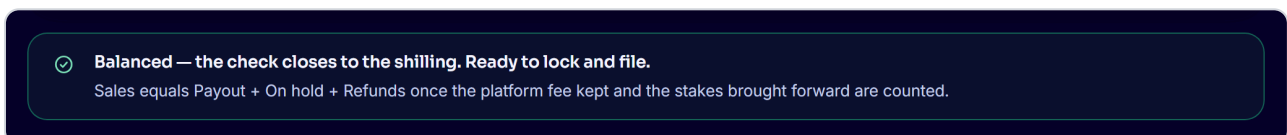

2 Choose the month

It opens on last month, with **All** products. To choose another month, use the arrows or the month list.

3 Check the coloured box

Green — Ready to lock and file: continue. **Red** — Out of balance: stop and tell the Owner. **Period in progress**: wait until the month has ended.

4 Lock the month

Scroll down to **Lock & filing** and click **Lock period**. Type **LOCK** and click **Lock**.

Lock & filing
Not locked. The figures follow the live books.
NOTE (OPTIONAL)

Kept with the lock — e.g. the filing reference you receive from TRA or GBT.

🔒 Lock period

No period has been locked yet.

TAX REPORT

⚠️

Lock September 2026 - All products?

×

The figures are frozen exactly as shown, and every export of this period will carry them. Only the Owner can reopen it.
